Lehrman Cameron Studio has developed an exhibition for three- to eight-year-olds that is meant to inspire a love of seahorses and, by association, a desire to care for them and for other living things. “Once Upon A Tide: A Seahorse Odyssey” exhibition at Point Defiance Zoo and Aquarium was fabricated by The Production Network, and opened in the Spring of 2003.

Consultants included Karen Lewis (animation), Jenny Provenzano (Illustration), and Laura Firth Markley (research and writing).

Winner of the Munson Aquatic Conservation Exhibit Award, 2006
